Subject Troy High School Cleanup Inquiry

Hi Peggy!!

Brady Selle from the Troy Superintends office called and said that John Konzen had called him all fired up. He said that John told him that he had been talking with someone last week and that the Troy High School might not be getting cleaned up.

I told him that I had not heard that the HS was not being cleaned up and that at the CAG it was mentioned by Catherine LeCours that the HS would be cleaned up this coming summer.

Do you know of anything differently?

How are you doing this week? Have a great week!

Thanks,

Linda
